\$5,000 REWARD ELIGIBILITY TERMS

Effective date: August 27, 2026

These terms apply to the \$5,000 reward described on SharonOWicks.com for information concerning estate-planning documents prepared for Sharon Oksun Wicks, professionally known as Kim Kim.

1. ONE REWARD TOTAL

Only **one \$5,000 reward in total** is offered under this program. The reward is not \$5,000 per person, per lead, per document, or per response. No more than \$5,000 in aggregate will be paid under this offer.

2. WHAT INFORMATION QUALIFIES

The reward is available only for the **first previously unknown, verifiable information** received that directly results in either: (a) locating an authentic will, trust, codicil, amendment, or other estate-planning document prepared for Sharon Oksun Wicks; or (b) verified identification of the attorney, law office, legal-document service, or other professional that prepared or maintained such a document or client file. "Previously unknown" means information not already known to the offeror or counsel and not already in their possession or under review.

3. HOW TO ESTABLISH PRIORITY

To establish priority, a claimant must provide a sufficiently specific **written submission** by email to Information@SharonOWicks.com or by text to 626-344-8880. A telephone call may be used to make initial contact, but it must be followed by a written summary. Priority is determined by the time the qualifying written information is actually received. A general statement such as "I may know something" does not establish priority.

4. VERIFICATION AND DIRECT RESULT

Information must be independently verifiable and must actually lead to recovery, confirmation, or reliable identification of the document or preparer described above. Rumors, guesses, speculation, unsupported recollections, public-directory listings alone, or information that merely repeats an already-known lead do not qualify.

5. DUPLICATE OR JOINT SUBMISSIONS

If substantially the same qualifying information is submitted separately by more than one person, only the first qualifying written submission is eligible. If qualifying information is intentionally submitted jointly, there is still only one \$5,000 reward. Joint claimants must provide one written instruction for allocation of the reward before payment; if they cannot agree, payment may be withheld until they resolve allocation among themselves.

6. WHAT THE REWARD DOES NOT PAY FOR

No payment is offered for testimony, an opinion, speculation, advocacy, cooperation in litigation, or any particular probate or legal outcome. The reward is solely for qualifying information as defined in these terms.

7. LAWFUL INFORMATION ONLY

Information and documents must be obtained and provided lawfully. No one is authorized or encouraged to trespass, take property, open or access another person's mail, account, device, safe-deposit box, private records, or confidential files without lawful authority, or to violate any court order, privacy duty, professional duty, or other law. A person legally or professionally prohibited from accepting a reward is not eligible.

8. PAYMENT REQUIREMENTS

A reward is earned only after all stated conditions are satisfied and the information has been independently verified. Before payment, the claimant may be required to provide reasonable identification, tax information, and a signed receipt confirming that the payment is for qualifying information only. The recipient is responsible for any taxes, and legally required tax reporting may be made.

9. CHANGES OR WITHDRAWAL

This offer may be modified or withdrawn prospectively by posting revised terms on SharonOWicks.com before a qualifying submission has been received. A change will not retroactively defeat a reward already earned under the terms then in effect.

10. PRIVATE INFORMATION REQUEST

This is a private information request. SharonOWicks.com does not represent any court, estate, executor, administrator, or public agency and does not offer a reward for any particular legal result.
